IMPORTANT!

Hunters are requested to check with tribal land operators on non-Walk-in land to determine if they are moving cattle, harvesting crops or have other activities planned that they would prefer you avoid for hunting.

Hunters are required to get permission on individual allotments.

Please shut all gates behind you.

NO ROAD HUNTING! All roads and right-of-ways within the Reservation are closed to hunting. It is unlawful to shoot from, within, or across a road or road right-of-way.
